

Food Selection

At Eynon Catering, food is our passion and central to everything we do; to support this ethos our team search for the highest quality ingredients taking into consideration source, sustainability and the range of commodities that are made available to our kitchen to ensure that we have the most nutritious and sustainable range as possible that keeps waste to a minimum. All our suppliers are carefully selected meaning we can trace products from source to plate.

Quality Ingredients

Our menu includes a number of quality standards and initiatives. For example, in many dishes the use of fresh UK Red Tractor Farm Assured products including meat, fish from sustainable sources, British Lion eggs and seasonal fruit and vegetables sourced regionally from the UK wherever possible.

Why not give school dinners a try?

The school offers parents the opportunity to have school meals and we offer food tasting sessions – more information is available from the school.

Special Dietary Needs and Allergies

If your child has any dietary requirements or food allergy/intolerance, please contact the school.
